Kooragodage Manasha

Faculty of Applied Sciences Undergraduate | University of Sri Jayewardenepura

Galle, Southern Province, Sri Lanka

Summary

I'm an undergraduate student in the Faculty of Applied Sciences at the University of Sri Jayewardenepura, studying Management Science, Aquatic Resource Management, and Chemistry for my BSc. I enjoy learning new concepts, solving problems, and exploring how these subjects connect to real-world challenges.

Experience

Bank of Ceylon

Student Intern

April 2024 - February 2025 (11 months)

Nagoda, Southern Province, Sri Lanka

I completed a 6-month internship at Bank of Ceylon, where I gained hands-on experience in banking operations and administrative tasks. During this time, I developed skills in customer service, data management, and practical financial processes, while learning how a major financial institution operates. This experience helped me apply my academic knowledge in a real-world setting and improved my professional confidence.

Fiverr

Freelance Graphic Designer

May 2024 - December 2024 (8 months)

Worked as part of the Self_Graphic team on Fiverr, creating logos, social media graphics, and digital artwork for clients. Collaborated with team members to deliver high-quality designs on time, while improving skills in graphic design, client communication, teamwork, and project management.

Education

University of Sri Jayewardenepura

Bachelor of Applied Science - BASc, Applied Sciences (Chemistry, Management Science, Aquatic Resource Management) · (April 2025 - April 2028)

Sanghamitta Balika Vidyalaya

GCE Advanced Level, Bio Stream. Achieved **B passes in Chemistry, Biology, and Physics**
